

LIQUIDMETAL®

THE AMORPHOUS METAL TECHNOLOGY YOU TRUST

WITH EXPANDED PRODUCTION FACILITIES

Liquidmetal has partnered with YiHao Metal to bring you the best in amorphous metal manufacturing technology ... faster!

The Liquidmetal Advantage:

- A global leader in amorphous metal technology
- Product design and engineering support
- Experience molding high performance parts across a broad range of industries
- Customer service and collaboration in U.S. and China

High Volume Operations:

- In-house mold design and fabrication
- Rapid project start-up and tooling
- Alloy production and recycling
- Established production in consumer electronics, consumer products, automotive, medical and industrial markets
- Certifications include ISO9000-2015, ISO 14001-2015, IATF 16949 (year-end 2019)
